On or about 10-4-2012 at approx 9:56 p.m. at 1730 North Ocean Ave. Holtsville, N.Y. Patricia Newell and I pulled into Yogi's Bar Parking lot to see a friend. Upon pulling into parking lot Patricia stated that there was a tan colored sedan following us. As soon we parked Richard Scatfrees got into rear passenger compartment. We were immed blocked in by this tan sedan. Patricia ask "Who are these people acosting the vehicle"? I turned to my right and saw a female armed with black semiautomatic handgun and a flashlight. She said "Put the fuckin window down." I complied and she asked "What's going on here." I asked her "why was she at my window and who was she." At that point in time Patricia was rolling her window down for the other Male who was armed and the female immed shifted her atten to Patricia and began yelling "What are you fuckin stupid don't you see me standing here. codd everybody in the car" She then instructed me to lean forward put my head on the dashboard and the same for Patricia. Both officers reached through the window and handcuffed Patricia and I while we were still seated in car. At this point in time Richard was swatched out of the rear passenger compartment from the driver side and I was swatched out of my door and laid on the wet ground at the rear of the vehicle on the driver side. I then saw the female drag Patricia out of the car and the male held Patricia up while the female went through her clothing. The female then unbuttoned Patricia pants and pulled them down to her knees and looked between her legs and looked in her panties. At that point in time I was stood up at the rear of the car and Patricia was brought next to me and the female officer came and searched me, went through my pockets pulled out a pack of ciggs, a lighter and \$140 then placed everything on the Trunk of the car. The searched produced nothing. The two officers then focused their atten on the vehicle's passenger compartment numerous other officers had arrived at this time including Det. Wynne the officer who took my statement. After the car was searched and nothing was found the female officer came back and asked me my name and what I was doing

here. I told her my name and that I was here to pay my friend for a job. She then stated "This officer over here is a K-9 unit and he's gonna ^{smell} you and the car and if somethings in your ass the dog is gonna bite me there. She then went back and searched the car again, nothing was recovered. One of the mail officers stated "It's probably in his ass," Det. Linda A. Holle then came up to me and lifted my shirt undid my buttons to my pants pulled my boxers away from my waist and shined the flashlight into my groin area viewing my Penis and Scrotum, she told me to spin around slowly while a male officer held my cuffed hands in an elevated position once she got to my buttocks she pushed the flashlight further down my pants till it rested on my right butt cheek she then gave me a wedgie with my boxers and spread my buttocks with the flashlight and underwear so that she could peer into my anal cavity, I said "The fuc you doin" she stated "lookin for evidence" and "There it is" and continued to use boxes and flashlight to forcefully remove item from my Anus until it came out she told me to take my boots off then manipulated it the rest of the way down my pants until it hit the ground and said "There it goes you didn't think I would go in there in get it did you," at that point and time Patricia, Richard and myself were placed under arrest.
